

Dear Wado-Kai members all the world over,

We hope you are in the best of health and spirits.

We both at the standing committee and the executive committee of JKF Wado-Kai have endeavored to further develop the Karate techniques and promote mutual friendship.

However, after careful examination of the following problems, we have decided to call off the event of WWC2022.

- 1) Referring to the inquiries about the pro and con, more than half numbers of branches out of 74 branches in the world answered negatively that is, being difficult of participation.
 - 2) In Tokyo at present, Omicron variant is prevalent as ever. Although with slight decrease tendency, approximately 10,000 infected persons are shown every day.
 - 3) Air traffic problem by Russian invasion to Ukraine is also under apprehension.
- Because of the above-mentioned reasons, with health and safety of the Wado-Kai fellows in mind, the executive committee has come to the conclusion to call off the Wado-Kai world Karate-Do Cup 2022.

Thank you for your understanding and cooperation.
